## Announcement:

To Our Dear European Fratres and Sorores,

At the end of July of this year, our dear frater Michel Gobin will be taking a well-deserved retirement from operating the European office in Perpignan.

With his retirement, the Perpignan office will close. Michel's administrative duties will be absorbed by the Los Angeles office. His service work will carry on through our worldwide network of dedicated volunteers who selflessly donate their time and energy in service to our Order.

With the closing of the office, we will establish a mailing address through which our European members may continue to correspond with their local leaders for European events and activities.

*What will change for you, the European and African members?*

### Dues Payments:

- Beginning July 1, 2018, dues will be paid directly through the website via PayPal.
- Those without internet access or a credit card can transfer money to the Los Angeles office with services such as Western Union. Note that dues payments will have to include any fees associated with each money transfer.

### Tests/Exams

- Exams may be submitted through your personal membership account. Your exam will be directed to Frater A.

### Regional and European Meetings

- Meetings will be coordinated and planned by European Regional Coordinators with the help of volunteers. At that time, an address and contact information with instructions will be provided for communication regarding these events.

### Temple Inquiries

- Temple inquiries will continue to be received in the same manner. Questions may be directed to [inquiries@bota.org](mailto:inquiries@bota.org).

*"Except the Lord build the house, they labour in vain that build it..."*

It will be most helpful and effective if you use your membership account as much as possible in managing your membership. Please be sure to keep your email address updated. We will do everything in our power to make this transition simple and effective. We thank you in advance for your understanding and cooperation.

We know that you join us in our heartfelt gratitude to Michel for his many years of service to our Order. With his newfound “freedom” we hope to continue enjoying his companionship and participation in B.O.T.A. events. We know that those of you who know him and love him as we do, will join us in wishing him continued happiness and personal fulfillment as he enters this new phase of his life.

With Fraternal Love and Appreciation, in L.V.X.
