To our European Fratres and Sorores

Dear Frater, dear Soror,

We remind you that the European Office will be definitely closed on 31 July 2018 and therefore, as of this date, you will not be able to write or call or pay your dues to this office as you have done in recent years. It is now the Los Angeles office that, with the help of European volunteers, will be responsible for doing the work of the European office. As promised we write to you to give some additional information how to get into contact with us and send your tests after this date.

The new post address in Europe is:

Builders of the Adytum, or: B.O.T.A.
19 Avenue d'Italie
75013 Paris
France

Attention, this address corresponds to a post office box. That means that a volunteer in Paris will be responsible for picking up your letters twice a month, scanning them and sending them by e-mail to the Los Angeles office. This will result in a longer delay in the responses.

The website botaineurope.org remains active. The e-mail address europe@bota.org also remains active and will be administered by volunteers who will send your requests to the Office in Los Angeles.

However, we will not have telephone contact in Europe. Those who speak Spanish or English will be able to contact the Los Angeles office during opening hours. Be careful, you will have to take into account the time difference.

Now we will give you some practical information:

- To contact us

You can either use your membership account on the website bota.org or write an e-mail to inquiries@bota.org for requests in English or Spanish, and to europe@bota.org for requests in French or German, or write a letter sent by mail/post, in which case the reply may need more time.

- To pay your membership dues

As of 1 August 2018, you cannot any longer transfer your dues to the bank account of the Office in Perpignan, or pay by check. All payments have to be done directly to the Office in Los Angeles.

How to proceed?

You can either use your membership account on the website *bota.org* using Paypal. If you so wish, you can ask for an automatic Paypal payment which is done every month.

Or you can send your membership dues by a money transfer agency, such as Western Union. In this case, it has to be sent to the address of the Office in Los Angeles:

Builders of the Adytum, Ltd.
5101 North Figueroa Street
Los Angeles, CA 90042, U.S.A.

- To send your tests or obligations at the end of a course, you can either use your membership account on the website *bota.org* or send them by post/mail, in which case the reply may need more time.
- When you want to ask for initiation into a Pronaos, you can either send your request by e-mail to *europa@bota.org* or send a letter by post/mail, in which case the reply may need more time.
- When you want to ask for help by the healing committee
You have to go to the website of B.O.T.A.: *bota.org*. On the first page you see a button "global healing list". You have to click on this button to make your request.

We hope that the information provided in this letter will help you to become familiar with the changes brought about by the closure of the Perpignan office. Do not hesitate to contact us for any problem regarding all these changes.

Our way of communicating with you will be by e-mail to all those who gave us an address. Do not forget to update it, if you change your address.

With Fraternal Love and Appreciation, in L.V.X.

The Board of Stewards
